

USDA Guaranteed Loan Programs

Longer terms,
competitive rates, and
decades of USDA
lending experience.

Business Industry (BI)

Businesses in rural areas with a population of 50,000 or less - loan amounts up to \$25million per borrower.

Water & Waste Disposal (WWD)

Drinking water systems, wastewater treatment and more - loan amounts up to \$50 million perborrower.

Community Facilities (CF)

Community facilities such as healthcare, transportation, and public safety - loan amounts up to \$100 million per borrower.

Rural Energy for America (REAP)

Energy efficiency and renewable financing for rural businesses and producers, up to \$25 million per borrower.

Let MapleMark Bank Be Your Lending Solution

We offer competitive USDA financing nationwide for eligible borrowers, supporting construction, real estate, equipment, refinancing, working capital, and acquisitions.

Programs are primarily available in rural areas with populations under 50,000. For businesses focused on growth and local economic impact, MapleMark Bank is your lending partner.

USDA Loan Benefits Include

- The ability to combine multiple USDA loan programs for the same project – such as providing both B&I and REAP funding together.
- Loan terms up to 40 years.
- No balloon payments. All loans are fully amortized with the option to provide an interest-only period for construction, installation, and ramp-up.
- No minimum owner occupancy requirement
